

Le Negresco is delighted to welcome the artist **Nairone Defives** for the fifth edition of **Les Enfants Arty**, on **Wednesday, 3 July 2024**.

Le Negresco is thrilled to invite young creative minds to the fifth edition of Les Enfants Arty, with artist Nairone Defives as our guest of honour.

Widely acknowledged for his pioneering contribution to the redefinition of contemporary art, **Nairone** will demonstrate his unique creative approach, with its audacious use of black and white, interplay of curves, dotted shadows, and meticulously interlaced details. Inspired by his childhood daydreams and recollections, the artist 'creates tomorrow's memories' employing a variety of media ranging from painting to sculpture, illustration to art direction, as well as scenography and design. Constantly breaking the boundaries of his creative skills, his participation in **Les Enfants Arty** event promises to leave participants with an unforgettable experience.

This exclusive workshop features:

- **A giant jigsaw puzzle workshop:** A playful exploration of shapes and contrasts, based on the work of Nairone.
- **A black felt-tip drawing workshop:** Here, children will become acquainted with the art of drawing with a black felt-tip pen and learn how to use Nairone's unique style to produce striking artworks.
- **Colouring Nairone's posters:** This is the perfect chance for young creators to dive into the world of pop art by applying their individual touch to the works of the artist.

A (re)creative afternoon guaranteed to awaken children to the magical world of art and good food lies ahead. From 2 pm to 5 pm, the gates of fantasy will be wide open to children aged four to 10, under the expert supervision of two cultural facilitators from Art Kids Company. At 4 pm, a gourmet interval masterminded by our pastry chef Charles Bernard will await our young artists. The afternoon snack becomes an edible work of art, where each bite reveals new flavours.

The activity, which includes the afternoon snack, is available for € 55. Please register in advance by e-mail at events@lenegresco.com.

The fun continues for our gourmets, who will have the opportunity to taste menus especially conceived by MICHELIN-starred chef Virginie Basselot.

At Le Chantecler restaurant, the 'La Madeleine de Proust' menu invites guests on an exceptional culinary adventure for €65. La Rotonde Brasserie Contemporaine is also proposing a children's menu for €18. These special menus are guaranteed to appeal to the discerning palate of young gourmets up to the age of 12.
